## MONTESSORI PROGRAM

### *MONTESSORI PROGRAM AT ABERDEEN ELEMENTARY*

*We still have openings for students from Grades 1 to 6 for the 2010/2011 school year. Montessori is a school of choice in SD73 and has been a successful program at Aberdeen since 2003. If your child:*

- *Has had Montessori training AND/OR*
- *Is self motivated and independent*
- *Likes to solve problems*
- *Enjoys working collaboratively*

*The Montessori classroom offers a prepared environment designed to allow children to become increasingly independent, to choose their own work and to learn at their own pace. Montessori offers a research style of learning in Mathematics, Language Arts, Cultural Studies, History, Physical Geography, Botany, Practical Life, and more. If this sounds like something you'd like to learn more about, please call Anthony Rempel at the school (250-372-5844). For more information on Montessori, you can check out the following link. <http://www.sd73.bc.ca/education/files/montessori-program.pdf>*

*There will be a meeting regarding Schools of Choice on Monday, March 1<sup>st</sup>, 2010 7:00 pm at the Henry Grube Centre.*
