

Aberdeen Elementary Parent Volunteer Form

There are so many ways to be a part of your child's school. You don't need to come to meetings or dedicate a lot of time to make a difference. The attached form will be used as a tool to determine which events we will be able to host this year (without volunteers it will not be possible). There are volunteer roles that can be done from home, during the day and / or in the evenings.

Please indicate any areas (s) you would like to help and return this form to the school with your child OR email AberdeenElementaryPAC@gmail.com

Please provide your contact information below. This is not an obligation but will allow your school PAC to contact you if volunteers are needed.
