

## Call for Volunteers

The success of PAC is due to its volunteers and our children are the ones who benefit! Some projects only involve a couple hours of your time, while others can be more involved. PAC events are made possible, and run smoothly with the help of many volunteers. Without these events, our ability to fundraise is reduced and programs and events at our school could be discontinued. We encourage you to consider one or more of the many volunteer positions.

Completed forms can be returned to your student's classroom, or to the drop box at the office.

Please fill out the form below, and indicate which programs you may be interested in helping out with.
